## IMAGES OF THE SACRED

Fri 17 Feb – Sun 18 March 2012

Opening Friday 17 Feb 6:00pm by Dr. Geoff Lummis

These works are reflections on the energy and presence of the sacred in daily life. Many are mandalas in form, created in paper collage and mixed media. All of these images have been created as part of my reflections in my grief since the death of my wife, Shirley, in 2009. In many ways the body of work is a seamless part of my journey - a walking with grief. Engaging the work has functioned to sustain me on the stony path that has been mine to walk. The present work continues my interest expressed in my previous work, in the sacred circle and landscape as a picture of the soul.
